### Course Grading:

- To pass this course you must meet **BOTH** of the following requirements:
  - Have a **total grade of 50%** or higher including all assignments, exams, etc.
  - Have a **combined grade of 50% on exams**

### Quizzes:

- Quizzes will be available at the start of class on the day of class and will be open as specified by the professor.

### Assignments (due dates posted in SLATE):

- Late submissions are penalized **10% per day for 3 days**.
- After 3 days, the assignment **WILL NOT BE ACCEPTED**.
- NOTE: NO makeup assignments, bonus assignments or credit for closed assignments will be given at the end of term so be sure to complete the work when assigned.**
- Students are personally responsible for **regular backups** of their work and maintaining their laptops in working condition. Software/Hardware issues **are not** valid excuses for submitting assignments late nor is accidental submission of something wrong (or empty).

### Exams:

- Exams must be taken on the day specified. If you are unable to attend, you **MUST**:
  - Contact the instructor **within 24 hours** of the exam date to set up a makeup date/time if applicable.
  - You need to state the reason you were unable to attend the exam. **See the FAST Evaluation Policy in SLATE.**

### E-Mails:

- E-Mails for this class will be sent through the SLATE e-mail system for this class.
- It is your responsibility to read these e-mails when posted. You will be notified by e-mail of updates to class material, changes to assignments/quizzes/exams and other pertinent information
- NOTE: Not reading e-mails is not an excuse for missed information**

### Cheating:

- Cheating will result in a failed grade of 0 for the assignment/exam for both the person copying and the person copied from.
- See **Sheridan's Academic Integrity Policy** for details on how cheating is handled at Sheridan which is listed under Sheridan Policies and Procedures
- Assignments that far exceed students' regular performance level will be flagged as potential cheating and require an interview to explain the code/assignment.

### Program Specifics:

- You must have a **2.0 GPA or above to graduate from a FAST program** even if you have taken all the program courses (See Sheridan's Graduation Policy for full details)
